The Boy Scouts did yeoman work during the selective draft drawings last Thursday at the capitol. About 25 Scouts aided during the day and evening, and William Knott, scoutmaster, was on the job all day. Scout Commissioner R. N. Burnham worked up a good organization and Leo de Roo, assistant scoutmaster, was also capably present. Among the Scouts who helped were Alatau Wilder and Ernest Gray, who began the drawing of capsules. Leo de Roo, Edward Silva, Carl Mortensen, Yuesha, Mahoe, Walker, Matheson, William Kalamia, Shin, Ezra Crane, Bishop Kinney, Low, Guy Gitt, Arta Kikugawa, Akai and Okumura.

TYAU, Scribe.

TROOP V

The members of Troop V held a regular business meeting last Friday evening. Eighteen scouts and two officials were present. Mr. Edgar S. Barry, who for two years was a faithful scoutmaster of this troop, will resign his position and will be succeeded by Mr. Morgan. Mr. Barry is well known to the scouts of this area, and we are very sorry to lose him. The meeting was conducted by Commissioner Burnham, who gave an interesting talk on scouting and the reorganization of the troop. The boys that were elected as patrol leaders are Holt, Tyau, Jardin and Ho.

TYAU, Troop Scribe.

A RINGING MESSAGE TO YOUTH OF THE LAND.

The greatest service that can be done for their country by the boys and girls of the United States is told by Hermann Hagedorn of the Vigilantes, the patriotic society that makes one think of the work of the Sons of Liberty in the American revolution. Mr. Hagedorn speaks as follows: "Boys and girls of America, you are the hope of the world! Why? Because the world is sick to death of war, and the world knows that kings favor war and democracies abhor war; and because the United States is the most powerful democracy in the world, and because, when Europe's present leaders are dead, you, boys and girls of the United States, will be governing the United States, and therefore, if you win, leading the world!" "But you can't go on living as rashly and unconcernedly as you have until today if you intend to fulfill that hope. The boys and girls of England could not win the fight for democracy by continuing to dance the fox-trot in the tearooms of Piccadilly. They tried to for a while, but they discovered that they had to choose between dancing and democracy. You know what they chose."

"Young America, ten to seventeen, for the present your work lies neither in the trenches nor in the munition plants. Yet what does the world ask of you? First of all, it asks this: It asks you to stop dancing for a minute, give up the movies for an afternoon, run P. A. car into the garage, and sit down and think about your country. And then, when you have taken thought, it asks you to jump to your feet and do something!"

Boy Scouts, you are doing something. You are jumping to attention all over this deal of ours wherever and whenever the call comes for such service as boys can do. "You have set up before yourselves a great standard. For the Scout law is the law by which all Americans, young and old, must live, if America is ever to be the splendid land of liberty we want her to be, and it is the law on which the future peace of the world must rest."

TROOP VIII HAS ROLLICKING MEETING

On the opening of the meeting of Troop VIII found two full patrols present. A new scout was taken in, Otto Hornung, formerly of Troop V. Troop VIII now has two former Troop V scouts, who are of great advantage to it. It became an argument among the scouts of the two patrols as to which one Otto Hornung should belong. It was finally decided that he should belong to the Eagle patrol.

The meeting was attended by both Mr. Hopwood and Professor Vaughan McCaughy. Professor McCaughy suggested that a hike be taken to Tantalus, and he told us that he would show us the extinct volcano. It was voted to take the hike next Saturday and all scouts who are going must be on the corner of Makiki street and Wilder avenue by 2 o'clock sharp.

After a short business meeting we had several games which gave us some of that "get together" spirit which is much needed.

Leg Throw.

The object of this game, in which

many of the scouts took part, is to have two boys get down on the floor lying on their backs and raise the leg of each until they cross, pulling one against the other and thus the stronger boy makes the weaker one turn a backward somersault. Dick (Dixie) Bolton was champion can you wonder at a heavy stout youth winning? We then had another game called fight house, in which one boy rides the back of the other who carries him around the floor and meets his foe. As the horse-scout is standing in an upright position he is very easily tripped, and if he does so he and his rider are disqualified.

Relay Race

Prior to the "fight-house" stunt, there was a relay race, the two sides being the Golds and the Blacks, the latter winning the race. Scout Albert Randall was the captain of the Golds and Patrol Leader William Leithead captain of the Blacks.

Mr. Caum of the Honolulu Star-Bulletin is thinking seriously of taking up the scoutmastership of the troop and all the boys are in hopes that he will do so.

COURT OF HONOR HOLDS MEETING.

At the Court of Honor meeting yesterday only one scout, Montgomery Clark, attended, to pass his first aid for second class. The next Court of Honor meeting will be held in the Kiloana Art League building, for the purpose of passing scouts who wish to become First Class in the rank of scouting. Any scout can be passed in tests between the hours of four and six o'clock.

TROOP MEETING CALENDAR.

Troop I will hold a regular meeting at its headquarters at 7:30 Friday evening.

Troop VIII will hold a regular meeting in the Kiloana Art League building at 7:30 Friday evening.

Troop XVIII will hold a regular meeting Friday evening at 7:30.

Troop III will hold a regular meeting Wednesday evening at 7:30.

The next monthly meeting has been postponed until Friday the 23rd, as there are five Fridays in this month, and Troop XX is having an entertainment on the 22nd.

Scouts will meet on Miller street next to the Armory 7:20 p. m., first call; senior patrol leaders form troops, call roll and count off.

7:30—Assembly; troops march into positions in line in squad formation. Time will then be given to practicing drill and rehearsing in preparation for the ceremony of receiving the American Flag which is to be presented to the scouts of Honolulu at the big reception to the congressmen on the following evening. On account of this it is important that all scouts and scout officials should be present at this monthly meeting.

After the drill there will be a message relay race by patrols of eight boys each representing different troops.

The next event will be a four-hand carry race, open to one patrol from each troop. Patrol will line up in single file. Numbers 1 and 2 will pick up number 3 and carry him 100 feet to the goal line. Number 1 will stay there, numbers 2 and 3 will return and pick up number 4. Number 2 will stay at goal line, 3 and 4 returning to pick up number 5, and so forth till the entire eight are across the line.

This event should be practised and competitions held in all troops at meetings before the 22nd, so that their teams may be selected and prepared, as everything must be run off without any waits, and the meeting dismissed at 9 p. m. sharp.

WILLIAM KNOTT,
Chairman of Meeting Committee.

SHORTAGE OF FALSE TEETH IN FRANCE

PARIS, France—There is a shortage of false teeth in France. The army is taking all the visible supply. A single dental school, working for the hospitals, has supplied 14,000 sets. All the other schools and dental establishments are utilizing such quantities that the importations from the United States and England are no longer sufficient and the only French porcelain teeth factory has been closed since the mobilization. The military authorities have been asked to release the manager and enough workmen to utilize this factory.

Testifies For Benefit Of Suffering Humanity

W. C. DILLEHAY

hope this wonderful remedy can be made known to all suffering humanity. Fruitola and Traxo are compounded from the original Edsall formulas at the Pinus Laboratories in Monticello, Ill., and can be purchased of Benson, Smith & Co., wholesale distributors; a doctor's prescription is not necessary. Fruitola is a pure fruit oil that acts as an intestinal lubricant, and disintegrates the hardened particles that cause so much suffering, discharging the accumulated waste to the sufferer's intense relief. One dose is usually sufficient to indicate its efficacy. Traxo is a tonic-alterative that is most effective to rebuild and restore the weakened, run-down system.

A booklet of special interest to those who suffer with stomach trouble can be obtained by writing to the Pinus Laboratories, Monticello, Illinois.

HOLIDAY BOXES TO FRONT MUST ALL BE MARKED

War department bulletins announcing rules for the shipment of "Christmas Boxes" to soldiers in the American Expeditionary Force have been received at army headquarters. The bulletins state that the Commanding General, Fort of Embarkation, Hoboken, New Jersey, has been named as forwarding agent to handle these shipments.

Parcel post packages should be made to conform in every way with the postal regulations except that wooden boxes should be used. For express packages wooden boxes should also be used and these packages should not weigh more than 20 pounds or exceed two cubic feet in volume. They should be well strapped and hinged and no perishable foodstuffs save that in cans or jars should be in them.

Mail and express packages should be addressed, as prescribed by the postal regulations and each marked "Christmas Box". They should be sent in care of the Commanding General, Fort of Embarkation, Hoboken, New Jersey, Pier 1.

Every parcel will be opened at the wharf and searched for explosives. Every parcel should bear the name of its contents plainly marked on the outside, also the name of the sender. It should be in the hands of the forwarding agent by December 5.

COLLECTOR'S BROTHER JOINS AVIATION CORPS

Acting Collector of Internal Revenue Ralph S. Johnstone has received a letter from his brother, Harold W. Johnstone of Berkeley, formerly of Honolulu, stating that the latter has passed the aviation tests and has been chosen as an aerial observer for the army.

In this work the air man will direct artillery fire, take pictures and draw maps and direct charges against the enemy's lines.

Harold W. Johnstone is well known here, having attended Punahou and McKinley high school. Mrs. L. J. Hurd of this city is a sister and his father is W. F. Johnstone, an old Honolulu resident.

The letter received from the young aeronaut says that the examinations were very hard and that he and two others were all that passed out of a total of 21 men. He will go first for training at the University of Texas at Austin and later to Fort Omaha, finishing the course as a first lieutenant. He writes that many of the men of the Olympic club of San Francisco, of which he is a member, have joined the California field artillery regiment known as the "Grizzlies."

SAGE TEA KEEPS YOUR HAIR DARK

When Mixed With Sulphur It Brings Back Its Beautiful Luster at Once

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a 50-cent bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully, besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.—Adv.
